Cancellation policy:

A minimum of 24 hour notice is required for full or partial cancellation of a scheduled lesson otherwise you will be held responsible for payment for the full scheduled time. If cancellation is unavoidable within the 24 hours, a phone call to cancel from the parent will be required. In the case that the skater is sick and could not provide the 24 hour notice, I ask that I be notified as soon as possible and the lesson fee will be waived if the skater is able to make up that lesson within the week. If I will be missing your skater's lesson, I will extend the same courtesy of letting you know as far in advance as possible so that you are able to make other arrangements.

Test/Competition Rates: \$50.00 per event This will include off-ice and on-ice warm up as well as instruction at the actual test or competition. The skater will be expected to arrive at the rink one hour prior to event time. The private lesson rate will apply to all competition practice sessions. If necessary, hotel accommodations will be divided by competitors.

Website Policy: All test applications, competition applications, and membership applications are posted on my website. Throughout the year I will post my skaters' accomplishments on my website and private professional social media accounts to celebrate these events.
